Steltzner Vineyards & Stags Leap District

Stags Leap District is a unique place to farm grapes. Often called a valley within the Napa Valley, the Stags Leap District is influenced by cool evening breezes from the San Pablo bay and rocky volcanic soils. Combined with our eastern exposure this is an ideal place for growing grapes. Our family has been farming this land since 1965.

Cabernet Franc

Cabernet Franc was first established on our Stags Leap District Property in 1978, as suggested by a professor from Montpellier. 1982 was the first year a small amount of Cabernet Franc was blended to our Estate Cabernet Sauvignon. Cabernet Franc by nature is a soft-tannin wine, fruit-forward with good acidity.

Tasting Notes:

Loads of blueberry, blackberry and raspberry electrify the palette, with a hint of vanilla and tobacco leaf.
